DR. LOUIS P. PERULLO
SUPERINTENDENT OF SCHOOLS

ROBERT M. GIBELEY
PRINCIPAL

Dear Students:

On behalf of the entire staff at the Higgins Middle School, I would like to take this opportunity to congratulate all of you on your achievements over the past three years and to wish you the best of success and happiness in whatever you may pursue in your future ventures.

I hope that your educational experiences have been challenging, informative and thorough and that you are academically prepared to continue your educational journey through high school. Always remember that there is no substitute for hard work, determination and dedication in whatever you do, and that your future successes will be greatly influenced by your educational choices.

Your stay at the Higgins has come and gone very quickly. You have made many new friends and developed relationships that will be part of your life for many years to come. Hopefully, when you look at this yearbook in future years, you will think fondly of your days at the Higgins and cherish the memories.

Someone once told me that all of my dreams could come true—if I had the courage to pursue them! Set high expectations for yourself then strive to achieve them—the sky is your limit!

Sincerely,

Robert M. Gibeley

Mr. Robert M. Gibeley, Principal

WHAT IF..

What if we actually went to the bathroom when we asked for a bathroom pass?

What if Chris Rudel wasn't obsessed with "Rent"?

What if Mrs. Francis, Mrs. Chase and Mr. Lamy were tone deaf?

What if Mr. Raphael and Mr. James were color blind?

What if Mrs. Sweazy didn't say "Squat"?

What if Mrs. Mazzaglia didn't say "Cool"?

What if there was no black line down the middle of the corridor for the sixth graders to stay to the right of?

What if Allison and Alexis didn't fight over the Navy and the Army?

What if Mr. Sweeney didn't have a lap top computer?

What if making the yearbook was easy?

What if Orion didn't move to the Voc.?

What if there was an elevator and swimming pool on the fourth floor? (*Fourth Floor?*)

What if the boys didn't think they were "all that"?

What if the boys were taller than the girls?
